**Public Comments:**

Mollie Wicker, 502 Sherman, thanked the board for the new pavilion in Sherman Park. Ms. Wicker informed the board that she had been in contact with an investor who was interested in repairing the basketball courts at Sherman Park. Discussion followed.

Rose King, questioned why the township advertised the 12 & under girls softball team's winning season when the team did not play for the Carrollton Recreation program. She stated that she had called the township office to inquire and felt the staff had been rude to her. Oatten took full responsibility for the decision to put the information on the sign. He stated that because there were not enough girls to create a softball league in Carrollton, the girls formed a team that played in the Saginaw Township program. They had an undefeated season and Oatten felt it was a note-worthy accomplishment.

**Director Comments/Updates:**

Oatten informed the board that, as Ms. Wicker had stated earlier, he had met with members of the community who represent an investor who would like to improve the basketball courts at Sherman Park. He would bring further information to the board. Discussion followed.

Oatten stated that he would know by mid-September whether the opportunity to apply for grant monies from GameTime would be available to purchase another playground playscape. Discussion followed.

**Board Comments:**

Stork asked Oatten if he was able to contact the Road Commission to trim the overgrown trees on Schust Rd. Oatten stated that he talked with both the Road Commission and Consumers Energy and neither will take the responsibility of trimming the trees.

Fritz asked questions about various township building and property repairs. Discussion followed.
